The Butterpop Café

BY Jill and Allen Johnson Jr.

ILLUSTRATED BY Christiane Cassan Wiese

About the book . . .

Discover the adventure that causes Mrs. Butterfield and Mr. Stephanapolis to come together and create *The Butterpop Café*. This vibrant four color book is set in the Soho district of London where the pleasantly plump Mrs. Butterfield operates a bakery next door to Mr. Stephanapolis' Greek restaurant. The happy hearted yet lonely neighbors often pass the time by sharing meals and friendship. All remains neutral until one spirited afternoon when the widowed Mrs. Butterfield finds herself stuck on the stairs of a double-decker bus. Mrs. Butterfield's situation and Mr. Stephanapolis' solution create an outstanding adventure that will have readers laughing out loud.

About the authors and illustrator . . .

Jill Johnson debuts her talents with her husband Allen Johnson Jr. as they link voices for a hilarious story of love and circumstance in *The Butterpop Café*. The Johnsons write for young readers but their story will capture and delight all ages as it reveals the charming union of Mrs. Butterfield, Mr. Stephanapolis, and *The Butterpop Café*. Allen is the author of seven books for young readers, including *A Breeze in the Willows*, *My Brother's Story*, and *Picker McClicker*.

The fanciful tale is coupled with the ornate and brilliant illustrations of Christiane Cassan Wiese. Wiese is a freelance illustrator and designer whose work ranges from children's books to wallpaper. Her skill is ample in adding vigor to the story.
