About the author . . .

Hearing a sermon about "The Impossible Dream" Roxie Gibson prayed for the talent to fulfill her dream of writing a book. In the middle of the night in 1971 Roxie was awakened with the inspiration for *Hey, God! Listen!*, the first in a series of titles dedicated to educating children about God and his love. Roxie and her husband, Jim, had never written or illustrated a book, but since that fateful night they had a new-found mission that has led to 16 titles. Roxie Gibson's books enrich children's minds, hearts and souls by helping them speak with God and understand life's difficult questions. Roxie's love and devotion to the Lord are reflected in her daily living as well as in her writing. Roxie loves children and communicates to them a spirit of happiness, reverence, and God's love for them. Roxie's books are so popular with children, parents, teachers and church leaders that they have never been out of print since 1971! Radio-Legend Paul Harvey exclaimed, "Tomorrow has to be better because today's children read Roxie Gibson."
