Talking With God

BY Roxie Gibson

About the book . . .

Dr. Todd B. Jones writes about this charming full color board book "Here, in simple words and ideas that young children can embrace, Roxie Gibson again opens up the wonderful world of God to the children of the world that Jesus dearly loves! I commend her lovely little book to you, knowing that it will draw you and your children closer to God, who is always only a prayer away. And as I gladly commend this book, I cannot help but to utter a prayer of thanksgiving for the gift Roxie Gibson is to children everywhere."

About the author . . .

Hearing a sermon about "The Impossible Dream" Roxie Gibson prayed for the talent to fulfill her dream of writing a book. In the middle of the night in 1971 Roxie was awakened with the inspiration for *Hey, God! Listen!*, the first in a series of titles dedicated to educating children about God and his love. Roxie and her husband, Jim, had never written or illustrated a book, but since that fateful night they had a new-found mission that has lead to 16 titles. Roxie Gibson's books enrich children's minds, hearts and souls by helping them speak with God and understand life's difficult questions. Roxie's love and devotion to the Lord are reflected in her daily living as well as in her writing. Roxie loves children and communicates to them a spirit of happiness, reverence, and God's love for them. Roxie's books are so popular with children, parents, teachers and church leaders that they have never been out of print since 1971! Radio-Legend Paul Harvey exclaimed, "Tomorrow has to be better because today's children read Roxie Gibson."
