About the book . . .

Now you can cook, entertain, and preserve like the masters! Learn from the leader in home food preservation as the Ball Blue Book Guide to Preserving makes it easy and comprehensible to embellish your culinary skills with the secrets, style, taste and class of the Ball Blue Book® traditions.

This newly revised version of the 1909 classic Ball Blue Book® takes a fresh look at recipes that fit today’s taste. Continuing the tradition started by the five Ball brothers 100 years ago, this book offers recipes for everything from jams and jellies to gourmet spreads and salsas. With color illustrations and easy-to-follow instructions on how to preserve fresh food in a home kitchen, the pleasures of home canning are within easy reach of today’s homemaker. With the Ball Blue Book® knowledge you’ll never waste your homegrown and organic food ever again!

The book contains generations of know-how compiled into a complete “how-to” for canning, preserving and freezing fresh foods, with hundreds of recipes and mouthwatering photographs. The classic recipes have been updated to fit today’s busy lifestyles. Plus there is a useful “Problem Solver” section which contains answers to common food preservation questions and concerns.
